

# Medina County Votes For 'Ike'

## Voters Number 4,502 In General Election

Medina County voters, 4,502 strong, voted their approval for President Eisenhower by a 2,668 to 1,834 majority. The county was in favor of Eisenhower in 1952 also—3,203 to 1,843.

Adlai Stevenson carried Natalia, East Devine, Black Creek and West Devine by slim margins.

In county elections, Fred Bader took a 966 to 595 win from John G. Britsch for commissioner of precinct 1, and Jack Speece took an easy 911 to 272 victory from Willard Gene Lutes for constable, precinct 1. Charles J. Hitzfelder, sheriff; R. J. Noonan, county attorney; Alfred J. Rohrbach, tax assessor-collector; and F. H. Hollmig, public weigher, were all unopposed.

Price Daniel came out of the county election by taking first place from his other two opponents, Republican William R. Bryant and write-in candidate W. Lee O'Daniel. Daniel polled 3,195 votes to Bryant's 765 and O'Daniel's 275.

All eight amendments to the state constitution passed Medina County voters. The eight amendments passed in state elections also. Results were, aid to mis-sentence, for, 2,488, against, 639; tax reallocation, for, 2,016 and 890 against; college fund, 2,072 for and 849 against;

teacher retirement, 2,707 for and 650 against; veterans land fund, 2,041 for and 905 against; oath of office, 2,050 for and 664 against; jury trial waiver, 2,303 for and 613 against; and denial of bail, 2,311 for and 638 against.

There were 77 absentee ballots cast in Medina County—26 for Stevenson and 51 for Eisenhower.

This year's presidential election found 544 fewer voters than in 1952—5,046 in 1952 and 4,502 this year.

## Oil News

### County Has No New Well

By Dick Tatum

No new locations were announced last week for Medina County but a new oil pay is boasted by Texas Coast Oil and Gas Corp. in the Taylor Ina field.

Texas Coast has completed its first well on the W. C. Scott land for 21 bbls. daily, plus 60 per cent water of Gravity 18 oil. Located 10 miles south of Hondo, it was drilled to 1,363 feet with production from perforations in the Anacacho Lime.

Top of the pay is 1,337 feet. In the Chicon Lake Field, a gas well has been completed by G&W Oil and Gas Co. Inc., on the Joseph Lamson land, five miles S. W. LaCoste.

It was drilled to 937 feet and is getting 418,000 cubic feet per day from the Navarro. Production is from perforations at 409-421 feet.

The No. Two Joseph Lamson has been completed six miles N. W. Lyle by G. O. Etheredge, et al. The well is getting 12 bbls. daily of gravity 21 oil from the Navarro at 469 feet.

## Hondo FFA Chap Takes Top Honors

Two groups of the Freshman Ag. I boys will hold a Parliamentary Procedure Contest at the High School PTA program Tuesday night, Nov. 13.

The group will determine which team does the best job of moving through their problem. Teams will have a new problem they have not had a chance to study and work out.

The meeting is to be held in the High School Cafeteria.

## Water Meet Held In Hondo Friday

More than 50 persons gathered at the Hondo High School auditorium Friday for the public water hearing on the proposed Edwards Underground Water Reservoir.

Paul Jahn, chairman of the Edwards Underground Water Conservation Committee of the South Texas Chamber of Commerce,

headed the four-man delegation of speakers and representatives. The meeting was called by the Medina County Commissioners Court.

Jahn said the Edwards Reservoir was the "most feasible for recharge than any other reservoir in the United States." He said the main purpose of the water district would be to control water in all stages—above and below ground.

Movement of water in the Edwards basin is from west to east. Comal Springs, a New Braunfels beauty spot, dried up during the summer and have not as yet

begun to run. The reservoir was, according to a detailed study by the State Board of Water Engineers, 2,000,000 acre feet below capacity in 1954.

The Edwards Underground water basin covers an area of about 8,000 square miles. It is 1,200 feet above sea level at Brackettville, its highest elevation, and 580 feet above sea level at New Braunfels, its lowest elevation.

Main opposition to the water district came from the fact that when Comal Springs again run, persons down stream will be benefited but will not bear any of the tax burden.

Five or more directors could be elected to govern the district and make all rules and regulations regarding water usage from the district. Bexar County, with 78 per cent of the total tax valuation in the 13-county area, say they would be satisfied with only one director, the delegation said. Total valuation in the district is \$290,000,000.

Hershel Nix, vice-president of the South Texas Chamber of Commerce, said the directors could require permits for wells producing more than 100,000 gallons of water per day, set the spacing of wells and require reports and records on wells to be drilled and wells completed, among other things.

Although the district is in the planning stage, the four-man delegation said the 13 counties would probably be divided into five precincts, with one director for each precinct. The group will write a bill, to be presented to the next session of the Legislature, following the meeting which was to be held in San Antonio Thursday.

If a county votes against paying the tax, it is exempt from the district but can still benefit from the improvements, Nix said. Underground water cannot be sold, he added.

A rancher having 640 acres of more for grazing purposes an as water for his cattle only an request exemption from the tax. All of the above can be changed—it is not written into bill as yet.

Medina and Bandera Counties combined have only five per cent of the total valuation of the district.

## Contest Teams Will Represent Revaldina District

Hondo FFA Contest teams will represent the Revaldina FFA District in an Area Leadership Contest Saturday in San Marcos.

They are Chapter Conducting, Clyde Bohmfolk as president; Johnny Shepperd as vice-president; Charles Stiegler as reporter; Henry Balzen as treasurer; Charles Zuberbuehler as sentinel; and Robert Wurzbach as secretary. Delegates will be John H. Meyer, Bobby Moos and Jackie Moos.

The Chapter Division Farm Skill Demonstration team will build a model size farm gate of welded pipe. The team is made up of Clay Heyen, Donald Muenink, Martin Naegelin and Clark Wurzbach.

The Greenhand Chapter Conducting Team will be president, Cliff Sadler; vice-president, George Brucks; secretary, Larry Hermes; reporter, Charles Eckhart; treasurer, Alfred Ray Breiten; sentinel, Richard Schweers; and delegate, Melvin Pack.

These teams must win first place at the Area Leadership Contest if they move to State level in Leadership Contest at Huntsville in December.

## W. H. Schmidt Dies After Long Illness

Funeral services were held at 3 p.m. Oct. 27, 1956, for William I. Schmidt, 82, a resident of Dunlay. Schmidt died in Medina Hospital Oct. 26, after an illness of 13 months.

A single man, Schmidt was born Nov. 27, 1873, at Quihi. He followed the profession of anchoring.

He is survived by two sisters, Mrs. Ida Wurzbach, San Antonio, and Mrs. L. J. Schmidt, Hondo. Schmidt was a member of the Quihi Lutheran Church and Sons of Herman Lodge. Interment was in Quihi Cemetery.

Palbearers were Chester Schmidt, Charley Lindeburg, Arthur Wurzbach, Herbert Wurzbach, Joe Steinle and John G. Bohlen.

## town topics

By Ralph Cole

Some changes have been made. Thanksgiving will be observed in Hondo Nov. 29 instead of the 22nd as last week's paper stated. Chamber of Commerce Directors got together and decided Nov. 29 would be the day. Monday, Nov. 12, is also a holiday in Hondo, in observance of Veteran's Day.

Do season permits are being issued through noon tomorrow. Land owners should stop by the Hondo Chamber of Commerce office and see the game warden, who has set up office there, for their permit. The number of permits issued is based on acres of land and dog population. There will be no permits issued after noon Saturday.

Hondo Boy Scout Troop 212 will sell poppies Veteran's Day. Proceeds will go to disabled American veterans, Hal Jones American Legion Fund and Troop 219. Scouts will be in uniform on downtown streets Monday. More than 700 get-out-the-vote "Freedom Bells" were distributed by Boy Scouts last week, in an effort to get as many people as possible out for the election.

William Watson, social security representative from San Antonio, will be in Hondo at 9:30 a.m. in the District Courtroom Tuesday, Nov. 13. Watson has scheduled extra trips to Hondo due to the increase flow of citizens wanting information on social security problems.

The Hondo High School Parent-Teacher Association will meet Tuesday night, Nov. 13, at 7:30 p.m. Mrs. Marvin Schweers president, has announced. Parliamentary procedure problem will be worked out by Hondo FFA students.

The Kidama Campfire Girls took a train ride to San Antonio Nov. 3. They visited the library and then ate supper in a downtown cafe. The group will hold a candy and cookie sale some time in the future.

Natalia held homecoming Thursday, Nov. 8, with events on the school grounds all day. Open house, assembly and a parade started things off. An ex-students' supper was held, followed by a football game between Natalia and Comfort. A dance closed the activities.

Hondo Air Base has 30 foreign students who will not be able to come home for the Christmas holidays. Anyone wanting to invite students into their home should contact Winnie Braden at the Chamber of Commerce office. There are 18 from Germany, one from El Salvador, one from Peru, two from Ecuador, six from Spain and two from Guatemala.

**DIVORCES GRANTED**  
The following divorce cases were granted in District Court last week: Rosa Lee Carpenter vs. R. B. Carpenter, Ruby M. Speece vs. Walter R. Speece, Lloyd Anderson vs. Nadine Anderson and Genevieve H. Berryhill vs. Clyde V. Berryhill.

## Hearing Views Only

### District Meeting

Creation of an Edwards Underground Water District will not hinge on the San Antonio meeting held yesterday, State Water Board Chairman R. M. Dixon has said.

Dixon moved to correct "mistaken ideas" about the purpose of the meeting which was held in Municipal Auditorium at 10 a.m. The chairman said there was a great deal of "misunderstanding" that the session was called to approve final plans for the district.

Actually, Dixon said, the meeting was merely a preliminary step in a long technical process necessary to form the proposed 13-county South Texas district.

The San Antonio session, according to the chairman, heard

On receipt of the proper petition relative to designating the Edwards underground reservoir and its boundaries.

Most of the testimony, Dixon said, was by his own staff on the basis of studies of the Edwards reservoir requested by South Texans nearly a year ago.

Once the reservoir designation has been made, the board has gone as far as it can on its own initiative, Dixon stated. It is then up to residents of the district to petition for creation of the district.

In the case of the proposed 13-county district originally proposed by the South Texas Chamber of Commerce, petitions would be directed to the State Water Board.

After the confirmation election, affairs of such a district are handled entirely by its locally-elected board of directors who are chosen by precinct voting. Special precincts are set up for water district voting.

Bexar, Bays, Comal, Medina, Uvalde, Kinney, Edwards, Real, Bandera, Kerr, Kendall, Blanco and a tip of Gillespie counties are proposed for inclusion in the Edwards underground district.

Main interest of such a district would be construction of flood prevention and ground water recharge structures in the lower Edwards basin and adjacent area.

The Edwards limestone reservoir is believed to be ideal for recharge facilities.

## Lion Benefit Pays

An estimated 1,000 persons saw the Hondo Air Base "Pooped Lions" and the Hondo Lions Club "Laggin' Lions" battle to a 4-24 tie on Barry Field Monday night.

Last figures show 25 injuries, not counting sore muscles. Hondo and Medina County citizens proved they are the "Little Town with the Big Heart" Monday as \$1,088.20 was collected for the Arthur Gallucci Fund. Gallucci, Hondo Junior High School

teacher, was stricken with polio in July of this year, and has been unable to return to his job. Texas Aviation Industries presented a personal check for \$500 to Mrs. Gallucci, who is now an employee of TAI, from their or

ganizations Welfare Fund. Money for the Arthur Gallucci Fund will still be accepted by the Hondo Lions Club, according to Edgar Stiegler, president. Several letters to the editor appear in this week's paper.

Half-time activities at the game were given by the Hondo High School Band, the Hondo Air Base Drum and Bugle Corps and the Air Base Drill Team. Cheerleaders from Hondo High School and junior high school led yells for both teams during the entire contest. They were assisted by two other cheerleaders, Richard Howard and Capt. Harold Maynard, both dressed as women.

The B&W Club handled refreshments.

HUNTER Schuehle, dressed as Elvis Presley, kept teen-agers howling at the Halloween Carnival last week. Girls were screaming "We want Elvis" after he had left the stage.

## Hondo Wins First Place In Contest

The Hondo FFA Chapter was Sweepstakes Award winner in the District FFA Leadership Contest held in Hondo Nov. 3. The chapter entered six teams and won two first, one second, two thirds and one fourth or fifth.

There were only three banners awarded in each contest so some of the judges scored or rated only the top three teams.

Devine's FFA Chapter was the only other school entering six teams in the Saturday contest. Hondo won over Devine for sweepstakes award banner by two points.

First and second ranking teams in each contest will enter the Area 7 FFA Leadership contest in San Marcos Saturday Nov. 10.

A rundown of winners in the six events were in this order: FFA Quiz, D'Hanis, Natalia Hondo, Brackettville and Utopia Greenhand Chapter Conducting, Hondo, Devine and Leakey Greenhand Farm Skill, Natalia, Devine, Utopia, LaCoste and Hondo.

FFA Radio Broadcast, Devine Leakey, Hondo and Brackettville. Chapter Conducting Parliamentary Procedure, Hondo, Devine and Leakey.

Chapter Farm Skills, Natalia, Hondo, LaCoste and Devine.

JOEY HOLLOWAY, son of Mr. and Mrs. J. W. Holloway, was awarded first place in the first, second and third grade division at the Halloween Carnival last week with his costume of a pumpkin. He won last year with his costume of a bat.

## D'Hanis News

By Mrs. Amos Finger

M&M Fritzie Bendele and two children of San Antonio, and M&M Denis Tschirhart and son of Castroville spent Sunday with their mother, Mrs. Dora Bendele, and grandmother, Mrs. F. J. Koth.

Mrs. Anna Haby, who was in a San Antonio hospital last week for medical treatment, has returned home.

Curtis Jackson of San Antonio, spent the weekend with his parents, M&M Frank Jackson.

Guests of Mrs. Daisy Rieber Sunday were M&M Ben Hodges and children of San Antonio, W. J. Ney and Mrs. Charles Schuehle of Hondo.

M&M Jimmy Collins and children of San Antonio, spent Thursday with her parents, M&M Ed Keller.

Mrs. W. G. Haile and Anna Rose visited Mrs. John Rieber on her birthday last Thursday. In the afternoon, they visited Mrs. W. F. Knippa at Knippa.

Mrs. F. G. Muennink and Mrs. Charles Chapman and Phyllis of Hondo, visited Mrs. O. W. Tondre Saturday.

M&M W. W. Kellogg visited the Glen Schafers at Utopia last week.

M&M Mitchell Koch and three children, and M&M Robert Wolff of San Antonio, joined their mother, Mrs. Alvina Koch, for a barbecue dinner at the ranch Sunday.

M&M Elmer Rohrbach and children of Kilgore, visited his parents, M&M H. G. Rohrbach, over the weekend.

Sunday guests of M&M Alfred Nester were M&M Adolph Umlang of Utopia.

M&M Bennett Heap of San Antonio, M&M Carl A. Scott of Hartington and their son, Rev. Richard Scott and son of Potesville, spent last weekend as guests of M&M Pete Saathoff.

Mrs. Stanley Smith and Mrs. H. A. Olfers and children of San Antonio, and Mrs. Henry Franger of LaCoste, spent Thursday with Mrs. H. J. Franger.

A. J. Boog and his sisters, Mrs. O. W. Tondre and Mrs. Louis Carle, were notified Wednesday of the sudden death of their cousin, Eugene Fest, of Pittsburgh, Penn. Fest was well known here as a visitor of his relatives a few years ago. His death occurred in his home after he suffered a heart attack.

## Yancey News

By Mrs. Harrison Wilson

We had 1.3 inches of rain at Yancey over the weekend.

Mrs. W. S. Garnett left Sunday to visit for a few days with her children, M&M Bryan Frost, and M&M Martin Holter and families in Austin.

Mrs. I. R. Chalmers and son of Louisiana, are visiting her parents, M&M Lucian Ward. Weekend guests were M&M Ross Ward of San Marcos.

M&M Glen Faselers and family of San Antonio, spent Sunday with Mrs. L. F. Faselers.

## Here in Hondo

Visiting in the home of Dr. and Mrs. J. H. Jennings is Mrs. Jennings' father, Max Pagnucco, from New York City.

## San Antonio Symphony Sets Mikado For November 10

The Fujiwara Opera Company on their first nation-wide tour of America will present "The Mikado" as the second subscription concert of the Symphony Society of San Antonio Saturday evening, Nov. 10, 8:30, at the Municipal Auditorium.

One of the most anticipated events in the 15 subscription series of concerts of the San Antonio Symphony, the Fujiwara Opera Company is the foremost operatic troupe in the Orient. It is unusual, to be sure, to see a Japanese version of an English work about the Japanese, sung in English.

Giving "The Mikado" an even greater import is that the San Antonio Symphony Orchestra conducted by Victor Alessandro will be in the pit for the performance.

Approximately 60 performers will be featured. Playing the role of The Mikado will be Takao Tado, Nanki Poo by Hatumi Kikuchi, Ko Ko by Sumito Tachikawa, Poo Bah by Satoshi Nakamura, Pish Tush by Tatuo Saito and Yum Yum by Masako Toda. The rich, colorful costumes worn so handsomely by the Japanese stars, costing in excess of \$1,000 each, are made of pure silk and are handmade by the finest craftsmen in Japan.

Tickets for "The Mikado" may be purchased at the Symphony Box Office, Municipal Auditorium or ordered by mail.

## New Booklets Available From Agent

Five new leaflet series publications have recently been released by the Texas Agricultural Extension Service and are available through the office of C. B. Gaston, agricultural agent.

They include L-300, The Story of My Life by A. Soil, which in a brief manner tells how soils are formed with information on how to build and protect them. L-302, Scorecard for Fitting and Showmanship, should be of interest to 4-H boys and others who exhibit livestock. L-305, Annual Ryegrass and L-306, Burclover, sets forth in brief form the advantages of these crops for pasture. L-284, A Double Deck Bed, is a how to build it leaflet which should interest those who need an additional bed and have a space problem. Complete details are given in the leaflet on materials and measurements needed.

These publications are also available from the Agricultural Information Office, College Station, Texas. Request them by number and title.

## Hondo Men Enlist In Air Force

Two young men from Hondo enlisted in the Air Force on Oct. 29 under the "Buddy System". They are Cletus Saathoff and John Brucks.

Sgt. Lee Rankin, the air force recruiter who enlisted the two men said they enlisted to take advantage of the new policy of the Air Force which permits them to take aptitude tests and choose their career field prior to enlistment, plus the fact that they will be guaranteed technical school training in the field of their choice, which is radio and radar.

They will remain together during their four weeks at Lackland Air Force Base and will then be sent to technical schools within their career fields.

Sgt. Rankin can be contacted at the Hondo Post Office on the first and third Tuesdays of each month.

## "Please Publish as Written"...

Once in a while—and some weeks it happens more often than others—we receive material for publication with the request that it be published "just as it is written."

Then lo and behold, it appears in the paper bearing the tell-tale surgical incisions of editing. Contrary to what we are sure is the opinion of some of these contributors, copy is not revised just to be ornery.

We try to be accurate, brief, and concise, and get the names spelled right. We have other odd journalistic quirks. We shy away from too many capital letters. We like to abbreviate state names after towns, and we don't use Texas after a town that is in Texas. These are just a few of our phobias.

Still, the temptation is strong at times to print material "just as it is written" for those who prefer it that way. We would create some new towns.

As with all editors, we rejoice exceedingly when copy is turned in with the names spelled right and a first name after the "Mrs." If it's typewritten, we grow ecstatic. If it's typewritten double space, then our cup runneth over.

But never, no never, would we discourage our many faithful contributors from submitting news, typewritten or handwritten, in pen or pencil, on butcher paper or rag bond, by telephone or with behind-the-hand whispers. Keep it coming!

## Portable Kerosene Stoves Are Constant Death Fear

Over the years portable kerosene heaters have been a constant source of loss of life by fire and asphyxiation.

In an investigation of oil burner fires conducted during the winter of 1953 and 1954, 46 per cent of all the deaths reported from fires and asphyxiation from oil burners of all types were due to the use of portable kerosene heaters. As a result of these unfortunate experiences a number of cities and municipalities have adopted ordinances prohibiting the use of these appliances.

One large city, which adopted such an ordinance, began to enforce the prohibition of portable kerosene heaters in 1948. In the three years before the enforcement of the ordinance there were 21 deaths due to these heaters. In the six years following its enforcement, there were only seven deaths.

It is recommended that only those portable kerosene heaters listed by Underwriters' Laboratories, Inc., be used. The safe use of these appliances, the National Board of Fire Underwriters says, depends upon following the manufacturer's operating and installation instructions and the general precautions, as follows:

1. Appliances should be cleaned and necessary parts made at the beginning of each heating season, and kept clean. Worn or damaged parts should be replaced promptly, preferably by the manufacturer or his representative.

2. Kerosene should be used for fuel. Gasoline should never be used.

3. The wick of the burner should be of the correct height and trimmed evenly. After lighting, wait a few minutes for oil to saturate the wick, then adjust to even flame, and watch for 15 minutes to guard against smoking or too high a flame.

4. These appliances should be carefully leveled and never filled or carried while lighted.

5. Special care should be employed in placing heaters to avoid accidents or overturning and to avoid contact with combustible material.

6. These devices should be equipped with a metal tray underneath the burner as an integral part of the heater.

7. When in use, a source of adequate fresh air should be provided.

8. Portable kerosene heaters should be refilled outside the building. The fuel supply should be kept in a 55 gallon drum or supply tank meeting the applicable tank requirements of NFPA Standard No. 31.

No portable kerosene heater should be used unless it is equipped with a primary safety control which is an integral part of the appliance by the manufacturer to stop the flow of oil in the event of a flame failure. The Underwriters' Laboratories list-ports conform with these requirements.

Portable kerosene heaters are not required to be connected to a chimney or flue. Since air is required for proper combustion, the appliance should be used for long periods of time in a room of construction. Under such circumstances the air in the room may become exhausted with the result the room becomes filled with carbon dioxide and improper combustion of the fuel oil results in liberation of carbon monoxide. Therefore the appliance should not be used in sleeping quarters when in use in other rooms, a window or door outside should remain partly open.

There is also the common fault of leaving these heaters unattended after lighting. The vapors from the kerosene are the part that burns and as the burner is heated the vapor release increases. Results in a flame that increases in height and release. Even though the directions on the appliance often indicate a starting position of the control device and another position for operation, it is good practice to light the appliance, turn it to the operating position and then leave it out further attention.

## PERSONAL APPEARANCE

By Jerry June Berger

We have seen more exciting football games than the one played on Barry Field Friday night and so we found ourselves watching some other things that were going on simultaneously. Have you noticed how so many little boys gang up and play their own brand of football down behind the goal post? Looks like Hondo insures itself of future gridders beginning with about age seven.

One of these youngsters, nine year old JIMMY MEYER, wandered up to where his parents, THE WALTER MEYERS, were seated just before the end of the game and when his mother stood up to leave one minute before the final siren, he protested, "But aren't we going to stay for the fourth inning?"

Well, anyway, he's a real sports lover.

And while all these little boys are playing ball, you might glance down at the other end of the field and see some future majorettes and yell leaders at play. Friday night there were about five little girls all lined up going through all the yells that the big kids do—complete with leg kicking and arm waving. They were working out down around the north goal post.

RICHARD CORDER really looked good with his baton twirling exhibition at half-time which just goes to prove that boys are as adept at this sort of thing as girls. Practically every college or university band features a boy drum major and many of the larger high schools do.

As usual, the Hondo High Band performed in an outstanding manner Friday night. But then Hondo spectators have come to expect them to do just that—the band has spoiled us by being consistently good.

PA  
We are not qualified to be a superintendent of schools, but we really don't envy those fellows one bit. Adding to J. G. BARRY'S current headache has been the resignation of three teachers in less than two weeks time.

MRS. PERRY FINGER, a third grade teacher, has been replaced by MRS. JOHN H. MUENNINK who is not a newcomer to the school system. She has been a popular teacher in several different classrooms of the school including third grade.

But as of Wednesday no replacements had been secured for HORACE GORE, high school Spanish and English teacher resigned, nor for an eighth grade section taught by MRS. C. D. DONLAVY.

MRS. DONLAVY and son ED-DIE are joining MR. D. in California where he is employed.

## Tondre Heads St. Louis Ex-Students

Victor Tondre was installed as president of the St. Louis Ex-Students Association at Homecoming ceremonies Saturday, Oct. 29.

Other officers elected were Mrs. Richard Schott, vice president; Mrs. Ernest Bippert, secretary; Samuel Tschirhart, treasurer; and Velma Wurzbach, reporter.

After the business meeting and benediction, a Mexican supper was served to exes and their guests. Father David Meurer was master of ceremonies and Brother Bill Seimer, S. M., was after dinner speaker.

More than 100 guests registered during the afternoon and many more attended the Comet-Peacock game, which proved to be a real thriller to put a climax to homecoming activities.

Miss Nancy Haby, a drummer in the St. Louis pep squad, was crowned sweetheart during half time, and was seated on a star of blue and silver. Francis Lutz, senior back for the Comets, was chosen favorite of the pep squad.

# Newest Buick Yet

**Y**ou know all that talk you've been hearing about the 1957 new car models being *really* new?

Well, in the case of the 1957 Buicks it's true—*gospel* true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

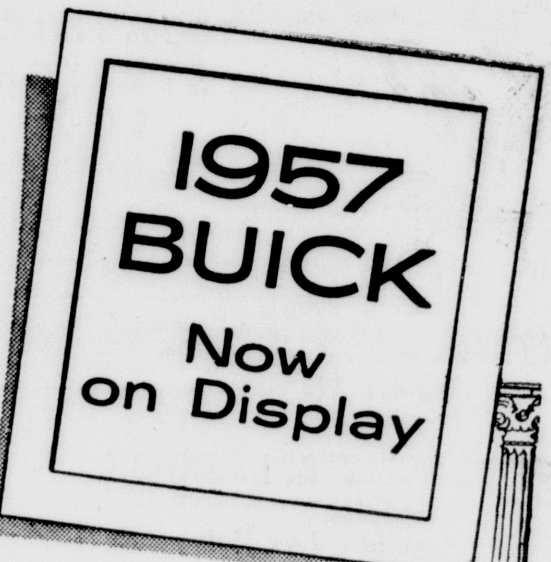

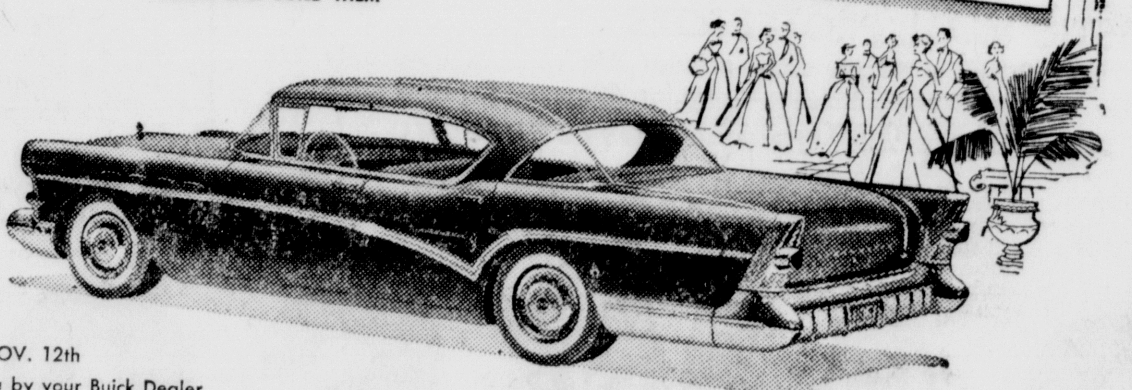

And we mean, most of all, an *advanced* new Variable Pitch Dynaflo®—so instant in the starting range—so utterly smooth and so totally full-range in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these *instantly* obedient Buicks for 1957.

Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

## R. Haby Dies In San Antonio

Raymond Haby, 54, died Oct. 29, 1956 in San Antonio. Haby was born and reared in the Cliff Community. His life's work consisted of farming and ranching in the same Community until his death.

Survivors are his widow, Mrs. Beatrice Haby; daughters, Mrs. Joe R. Weber, Sister Helen Ann, of Our Lady of the Lake Convent and Barbara Patricia; son, Clifford Haby; four brothers, one sister and two grandchildren.

Services were held at 9:15 a.m. Wednesday Oct. 31 in the Tondre Funeral Home and St. Louis Catholic Church in Castroville. Burial was in the San Fernando Cemetery Number Two.

## STVD Members Stop Here

Interest in the development of better farming practice gained ground here as the result of the tour of some 70 members of the Bexar County Farmers Association, the San Antonio Chamber of Commerce and other persons engaged in agriculture.

The entourage, riding in both busses and automobiles, arrived here last Thursday to encourage participation of farmers in the Fifth Annual South Texas Vegetable Day Association celebration.

Vegetable Day will be held Nov. 10 in the San Antonio Produce Terminal Market, located at 1500 South Zarzamora.

Last year \$1,400 was paid by community stores for the prize winning exhibit, a bushel of cabbage, raised by Marcel Brkmoes. Thousands of dollars were spent at the auction by the many bidders for other winning entries.

Rules and regulations, as well as entry blanks, all included in the premium list, may be obtained from County Agent C. B. Gaston.

Heavy participation from members of both the 4-H and FFA Clubs is promised.

One of the major features of the show is a demonstration put on by the two 4-H Club girls who captured the state title for the preparation of vegetables.

Many other features, such as the display of new farm implements will be included. A series of square dances by the Buster Brown group as well as the "Rip-N-Snort" Association Dancers, will be presented beginning at approximately 10 a.m.

## Fletcher Davis

TAKES A LOOK AT SOME THINGS THROUGH ANOTHER'S EYES

AS VIEWED BY  
CLAYTON RAND  
IN HIS DIXIE GUIDE  
The "Big Spring"

I was a fortunate guest at a bi-monthly meeting of the Board of Directors of the Big Spring, Texas, Chamber of Commerce, a luncheon affair. The 32 members are served sandwiches, pie and coffee and report on the community's activities.

The meeting was presided over by President Ira Thurman, bank president, and blessed with a lot of spontaneous wit. In most communities a banker can't afford to get too mellow, but the one outstanding characteristic of the Southwest country is the irrepressible humor of its people. They have fun while they work and can even face a sustained and devastating drought with dry wit.

A hundred years ago a big, cold, overflowing, deep spring gushed out of a chasm in the limestone rocks south of the site of this city. Here the Indians gathered to quench their thirst. It became a stopping point for transcontinental wagon trails, a watering place, a flag-stop on the Texas & Pacific Railway, and then Big Spring became a dry hole but a lively, friendly city.

If some rain-maker could bring abundant rain or adequate irrigation to these prairies, they could feed the whole world.

I asked a farmer who claims that he came of a rain-making Southwest Texan, and he said, "At one time I was a fair forecaster but since the government took over the weather, along with everything else, I can't tell no more."

### Three Little Seeds

The story goes that a friend abroad sent Benjamin Franklin a crude whiskbroom, which he used to dust his clothes. He found three tiny seeds clinging to a straw and, curious as to what kind of plant would produce such tough, pliable fibers, he planted the seeds in his garden, one of which grew.

It was not until 1797, however, that broom corn was grown commercially in the United States. One Levi Dickenson of North Hadley, Mass., having planted a patch in his garden, harvested enough of it that year to produce thirty brooms, the favorite vehicle for Salem's witches. And

despite the prevailing popularity of vacuum cleaners, 1,300 broom makers produced 45 million brooms last year that sold for \$52,000,000.

So Benjamin Franklin, that resourceful printer, promoted an industry. He also did so well in the printing business, that he had made a small fortune at it by the time he was 42, and retired for

a long career in diplomacy and in the public service. As United States ambassador to France, he was the toast of Paris at seventy.

Lesser printers, like this one, still marvel at the creative genius and homespun philosophy of Franklin, and wonder how he could have got rich so soon or at all in the printing business. Maybe the secret of his financial success was that he worked at it and always spent less than he made.

### Two National Scandals

A reader of my pieces, a keen studious observer, directly traces this nation's two chief scandals, divorce and juvenile delinquency, to MEN. "When fathers voluntarily gave up their positions as heads of their families and brought about a strong central government to take over," he writes, "they lost the respect of both their wives and their children, and weakened the moral force of the population."

We hear so much about juvenile delinquency we are sometimes led to believe it is a malady peculiar to our time.

R. L. Smitley of Englewood, N. J., sends pages from the "Journal of the Royal Society of Arts", which quotes from an article in its journal of 190 years ago, on "Juvenile Crime as it Affects Commerce and the Means of Repressing It," by one of Her Majesty's Inspectors of Schools.

The author tells how the juveniles are disciplined at Parkhurst Prison. "They dine, work, and have short intervals for recreation. . . Spade husbandry, candle tending, brick making, baking, carpentering, painting, blacksmith work, flax dressing, tailoring, shoe making and washing, constitute the employments in which they are instructed by skilled persons. . . Computers and habitual industry is indispensable to the cure of a disease which idleness is incarnate," reported Her Majesty's Inspector. And "Satan finds some mischief still, for idle hands to do."

## Mrs. Faseler Dies At Yancey Home

Funeral services were held Wednesday, Oct. 24, 1956, for Mrs. Herman Faseler, 71, of the Yancey Methodist Church. Mrs. Faseler died at her home Monday evening.

Mrs. Faseler was born in Mason, Mo., and lived in Yancey, Mo. Survivors include a daughter, Mrs. John Martin, two brothers, Frank and Arno Mueller, Mason, and two grandchildren.

Funeral services were held at the Yancey Methodist Church, with Pastor Bill Saathoff, officiating. Burial was in the Yancey cemetery.

By Mrs. Ida Jungman

Our Community has been rejoicing over a 1/2 inch rain Sunday, and indications are favorable for more this week.

Mrs. M. A. Mechler, of San Antonio, was here visiting friends Monday.

Mrs. A. N. Mangold of Rt. 4, San Antonio, and Mrs. Paul Mechler of Castroville Rd., were here for church services Friday morning.

Leo and Francis Bohl, of Devine, were here one day last week, and visited with the Alex Jungmans.

M&M William J. Engelbrecht, M&M A. Simroth, and M&M Lester J. Mechler, of San Antonio, were at San Marcos, for the Edison and San Marcos football game Friday night.

Mrs. Ema Haass and son, Oswald, of here, visited with the Hy Kruegars, near San Antonio Friday.

M&M Allie Tondre and children spent Sunday with M&M Onion and family in San Antonio.

Miss Ellen Traylor, spent Sunday at New Braunfels visiting with her parents.

Mrs. E. A. Armin of Flatonia, visited her parents, M&M A. H. Ahl last week. Mr. Ahl has been in Castroville Hospital with a broken foot. He dropped a heavy iron on it in his shop last week.

Mrs. Ida Jungman spent the weekend in San Antonio, with the William J. Engelbrecht family.

M&M H. Bru Miller and sons, Mark, Peter and Paul, of Hondo, were in San Antonio Saturday, guests of M&M M. A. Mechler.

M&M Charles Embry and family, M&M Alex Jungman Jr. and family of San Antonio, spent Sunday in the Alex Jungman Sr. home.

M&M Charles Halty, of the northside and Mrs. Charles R. Bauerlein of Hollywood Rd., visited Mrs. Ida Jungman Monday.

M&M A. E. Salzman of San Antonio, visited with M&M Irwin Reinhard and girls in Austin Sunday.

Sunday, Nov. 11, is a big day for Our Lady of Grace Church. Their Annual Turkey Shoot will be held on the school grounds.

THE THRIFT SHOP, money making project for the Hondo Garden Club, makes the big move. From left to right are Mrs. E. L. Kelly, Mrs. J. S. MacManus, Mrs. E. B. Vincent and Mrs. Paul Bybee, all members of the Garden Club. The Garden Club uses money made from the store to help pay expenses of beautifying roadsides in Hondo. —Staff Photo

### This Week

--In Washington

By Clinton Davison

The U. S. Agriculture Department employs a small group of experts, headed by Dr. Sherman Johnson, whose job it is to pry into farmers' future. They've come up with some ideas of what 1975 may be like.

The group goes under the heading of Farm and Land Management Research. It has been operating for several years, and with remarkable accuracy. Instead of calling their reports forecasts, they prefer the term "projections into the future."

"These projections," says Dr. Johnson, "of production that may be needed (in 1975) are based on specific assumptions regarding growth in population, increase in consumer incomes, and trends in consumer preferences for farm products."

Two members of the research group, Glen Barton and Robert Rogers, have just completed a study indicating that farmers will need to increase production by one-third in the next 20 years to keep up with expanding demand.

"The chief purpose of this report," they explain, "is to describe and analyze the size of the production job ahead for farmers. The important questions may revolve around how rather than whether we can meet production requirements in the years ahead."

The study assumes that surplus problems will no longer plague farmers by about 1930. From then on, the job will be to expand production rapidly enough to keep up with growing demand. Production rapidly enough to keep up with growing demand. Production controls will gradually disappear, they indicate.

The report assumes a total population of 207 million by 1975, and that per-capita consumption of meat, eggs, fruits and vegetables will continue to increase at about the same rate as in the past.

With 40 million more people to feed each day farmers will need to increase beef cattle numbers by 35 per cent, hogs by 40 per cent, sheep and lambs by 15 per cent, and milk by 25 per cent. They'll need to grow 35 per cent more corn and oats, 50 per cent more soybeans and 35 per cent more hay, and up pasture output by one-third.

Other increases include 1 per cent more Irish potatoes, 11 per cent more sweet potatoes, 14 per cent more dry peas, 40 per cent more truck crops, 35 per cent more fruits and nuts, 37 per cent more tobacco and 25 per cent more cotton.

Barton and Rogers think future needs for farm products can be met through (1) shifting of acres among crops, (2) adding to top land and pasture, and (3) increasing production per acre.

At present production rates per acre, we would need about 150 million more acres in cultivation and pasture by 1975. There are only about 25 million acres we can add through irrigation and reclamation, so five-sixths of the increase must come from greater yields per acre.

The increase in yields per acre needed will be about double the average rate between 1910 and 1950. But it can be done, they conclude, if we increase production only about two-thirds as much per year as we did during World War II.

Research is expected to help farmers up production by developing new and improved methods of cultivation, new hybrids and varieties of crops, live-lock breeding and feeding efficiencies. More farmers will need to use the best methods known. There'll be a big increase, too, in irrigation.

Increased mechanization will enable fewer farmers to grow the added amount needed. Each farmer now produces enough for himself and 7 others, but by 1975 each farmer may feed himself and 12 others.

### Heart Disease Remains In Number One Position

Heart disease is still the number one killer over all other causes in the United States today, State Health Department statistics show. Despite awe-provoking advances in the cardiovascular field of medicine, the high tensions of modern living continue to reap its harvest of deaths from heart diseases.

Rheumatic heart conditions, though not high on the mortality list, nevertheless takes its toll. Rheumatic fever is responsible for 95 per cent of the defective hearts in childhood.

It accounts for more than a third of the crippled hearts in adult life, and according to insurance statistics, chronic rheumatic heart disease accounts for five per cent of deaths from diseases of the heart.

Rheumatic fever is no longer the threat it once was. Scientific advances of the past few years have made it possible to prevent most cases of this disease which disables so many each year.

The main target in the fight against rheumatic fever is a special kind of sore throat-called a strep throat, which is an infection caused by the streptococcal germ. Doctors know that a strep infection precedes most attacks of rheumatic fever.

Children between the ages of six and eight are the most common victims. The plan is to prevent the strep infection or to treat it adequately at the onset, thereby averting a possible attack of rheumatic fever.

This information is encouraging for all parents and especially to the child who has had rheumatic fever. The condition has a way of repeating itself and each attack increases the chances of heart damage.

To protect a child who has rheumatic fever, doctors are prescribing regular doses of such medicines as penicillin and the sulfa drugs. It may be necessary for the child to take such a medicine for a long time. These medicines are available free at your city or county health department for those unable to pay.

If a child who has never had rheumatic fever gets a strep infection, immediate treatment is required because rheumatic fever usually doesn't follow when treatment is prompt and complete.

With the late fall season, strep throats are on the rise in Texas. Dr. Henry A. Holle, commissioner of health, asks that parents watch for these signs which may be an early warning of a strep throat condition in your child.

A sudden sore throat or pain in the throat when a child swallows; pain when you press under the angle of the jaw; swollen glands; fever, usually between 101 and 104 degrees.

Also, the child may have a headache or experience nausea; and be especially watchful if the child has been exposed to anyone who has had scarlet fever or a sore throat. Call your doctor if any of these symptoms are present.

### Committeeman

Norma Gaye Griggs, University of Texas student from Castroville, is a new member of the house relations committee of Whitehall co-operative living unit. Miss Griggs, a freshman home economics student, is the daughter of Mr. and Mrs. Wendell R. Griggs.

### LaCoste News

## Zion Ladies Aid Hold Meeting

Castroville's Zion Ladies Aid Society held its regular monthly meeting Oct. 31 at Zion Lutheran Church in Castroville.

Rev. Leo Benorden lead the service with hymns, prayers and a lesson.

Flower Committee named for the month of November includes Mesdames Fritz Weiblen, Robert Eckert, Irene Bendele, Charles Loessberg and mothers of the Confirmation Class.

Hostesses named for November include Mesdames Walter Kralic, Leonard Otto Jr. and Marvin Koenig.

Hostesses for the day were Mesdames Armin Schneider, Elia Tondre and Herbert Wurbach.

## Rush Season Highlighted With Tea

Iota Upsilon, local Chapter of Epsilon Sigma Alpha International, honored five new pledges with a preferential tea at Hondo Air Base Club Sunday Nov. 4.

Mrs. Tad Eubanks, President, conducted the ceremony initiating the following new members into the Chapter:

Mesdames Mary Jo Patterson, Cindy Myers, Mary Stambough, Nena Malone and Sylvia Cunningham.

Following the ceremony, Sadie Kilmer, vice-president, presided at the Silver Tea service. Salted nuts and miniature angel food hearts, trimmed in the Sorority colors of blue and gold, were served approximately 15 members.

## Arlene Ewert To Be Married

Mr. and Mrs. Erich Ewert of Jamesville, Minn., have announced the engagement and approaching marriage of their daughter, Arlene, to S-Sgt. Quinton L. Tschirhart, son of Mrs. Pauline K. Tschirhart and the late Thomas M. Tschirhart of San Antonio and formerly of Castroville. The wedding will be held Nov. 10 in Georgia.

# PAGING THE LADIES

## Rainbow Girls Receive Chapter Charter Tuesday

The Hondo Rainbow Girls, formerly Assembly L. T., received their charter from Mrs. Martha Marie Whitefield, supreme inspector, Order of the Rainbow for Girls, during ceremonies held at the Masonic Lodge Tuesday night, Nov. 6.

Thirty-four members were present to receive the charter, number 258. Worthy advisor of the group is Dolores Shelton and mother advisor is Mrs. Frank Delony.

Distinguished guests present included Mr. Whitefield, chairman of the Grand Executive Committee of the Grand Assembly of Texas, Order of the Rainbow for Girls; Mrs. Agnes Morris, member of the Grand Executive Committee; Mrs. Dorothy Ham, grand visitor of Texas; Sandra White, grand drill leader of Texas; Mr. and Mrs. Wood Chapman, worthy matron and worthy patron, Order of the Eastern Star; and Theo Cagle, worshipful master, Hondo Masonic Lodge.

More than 75 members and guests were served cake, tea and coffee after the ceremonies. The centerpiece was of pink oleanders.

## Miss Boehle Honored At Shower-Tea

The home of Mrs. Ray Bohlen was the scene of a miscellaneous shower-tea Sunday, Oct. 28, honoring Miss Mary Ann Boehle, bride elect of Harold Hartman. The couple are to be married this month.

In the receiving line were Mrs. Ray Bohlen, wearing a toast brown dress and a pink carnation corsage, the honoree, wearing beige lace over taffeta and a purple orchid corsage, Mrs. John Bohlen, mother of the groom, wearing a blue dress with a red carnation corsage.

The tea table was covered with white maderia cloth, centered with a low arrangement of white gladioli and white mums accented with wedding bells. Fruit punch, white cake and salted nuts were served by Mesdames Milton Theis, Richard Lynch, and Mesdames Leona, Emmabelle and Emaleen Saathoff and Miss Shirley Lindeburg.

Mrs. Bohlen's home was decorated with flower arrangements of pink, bronze and yellow mums.

Mrs. Franklin Muennink registered about 70 guests in the bride's book.

Hostesses for the occasion were Mesdames Alfred Boehle, Franklin Muennink, Chester Walsh, Richard Lynch, Frank Westfall, Clarence Bohlen, Clarence Saathoff, Anna Hartman, Roy Bohlen, Jack Sharp, Milton Theis, Arnold Balzen, Clarence Haas, Minnie Grell, James Moss, Arnold Lindeburg, George Klaus, Walter Grell, Charles Winkler, Arthur Grell, Albert Reus, Anton Grell, Oscar Grell, Jay Hartman, Willie Hartman and Emil Lindeburg.

## Free Movie Helps Halloween Kids

The Free Show on Halloween night, sponsored by the American Legion, Ladies Auxiliary, Castroville PTA and St. Louis Mothers Club, turned out to be a huge success.

More than 350 youngsters attended, with no damage to public property, as is usual on Halloween.

## FBI Program Set For Castro PTA

The Castroville Parent-Teacher Association will hear a program on an American turning Communist spy when they meet Monday, Nov. 12.

The program, which was originally set for the October meeting, was changed after the business meeting ran too long. The Federal Bureau of Investigation will present the film.

## Noonan-Pearson By Mrs. Louis Stein

The Friendly Ladies Club met with Mrs. Eddie Baker Tuesday with five members present. The day was spent quilting.

M&M Oscar Tschirhart were LaCoste and Castroville visitors Thursday.

The following enjoyed ice cream and cake at the home of M&M Oscar Tschirhart and family Thursday night: M&M Albert Tschirhart, M&M Roy Tschirhart and family and M&M Louis Stein and son. The occasion was Mr. Tschirhart's birthday.

M&M Glenn Haas were at Castroville Wednesday evening.

Mary Ann, Jimmy and Betty Tschirhart spent Thursday afternoon in the Louis Stein home.

Roy Tschirhart was a guest in the Louis Stein home Monday.

Mrs. Hilmer Bondele and children of San Antonio, and Mrs. Edson Oefinger and children of Quilhi, visited M&M Alex Tschirhart Saturday evening.

M&M C. H. Baker and Mrs. Eddie Baker were at Castroville Saturday.

## Birthday Party

Henrietta Cadena celebrated her birthday Monday, Nov. 5, with a party at the Parish Hall in Castroville. Sister Mary Louise and the fifth and sixth grades were guests. Refreshments were served. She is the daughter of Mr. and Mrs. Louis Cadena.

# LETTERS TO THE EDITOR

Dear Editor:

I am taking this opportunity to write you concerning the Hondo residents and their attitude regarding a less fortunate citizen. Namely, Mr. Arthur Gallucci and family.

I have traveled the four corners of the world as well as all but eight states of the United States. My travels have taken me to literally hundreds of towns and cities, both large and small. Without any doubt or hesitation, I can truthfully state that I have never seen a town as civic minded and as gracious as your people were towards this family.

It was obvious that the sponsors, participants and spectators did not turn out to the football game on the 5th of November 1956, to see the game. In fact, several days before, they knew it would be a farce and probably dull. I knew also, that each day when these good people sat down to dinner and took inventory of their daily events and their families, they were grateful and thanked God for their health and well being. That alone was probably the driving motivation for the hundreds or thousands of people who turned out to support the Lion's Club activity.

If each of these persons could be asked the question of "why they helped", the answer would not be for "charity", but "only to help a less fortunate neighbor."

This attitude is not only christian but wholesome as well as one of the liberties of our democracy. This is the way to raise our children and live with one another.

I would like to salute the children and Bands (both Civilian and Military) who helped; the Lion's Club for the idea of the drive; the parents, teachers, principals, and superintendent for their sacrifices and support; the military and civilians from Hondo Air Base and Texas Aviation Industries for their nameless efforts; the Business and Professional Women for the refreshments and tireless efforts; and last but not least, the hundreds of citizens who donated to make this program a success.

I am not a friend or relative of the Gallucci family and desire to remain anonymous. I ask that everyone who reads this letter will thank God for the success of this affair in helping a neighbor and for protection of their individual family. Pray for the speedy recovery of Arthur, and that it will never be necessary for another football game for this purpose.

Sincerely,  
An Adopted Citizen

★

Lions Club  
Hondo, Texas  
Dear Lions:

Words alone cannot express the deep gratitude and appreciation we feel for the great kindness you have shown us. We thank you not only for the financial aid but for the time, effort and friendship so freely given, which made it all possible. We have truly found love and friendship, known to be in every man's heart, here, in the Citizens of Hondo.

We shall be eternally grateful to you for helping us in our time of need. Please accept our thanks for your gift and for the wonderful spirit with which it was given.

We shall never forget the "Laggin' Lions".  
With deepest gratitude,  
The Arthur Galluccis

★

Sometimes it takes a serious misfortune to bring us all closer together... like the Arthur Gallucci polio case... and the touch football game for his benefit.

Certainly the financial success attest the cooperation of all concerned. The Lions Club, and we think we talk for the people of Hondo, earnestly want to thank the Hondo Air Base personnel and TAI for their eager and splendid assistance. Without their help, such a financial success could not have been realized.

Which brings up the point of this letter... time and time again the Hondo Air Base Military personnel, and TAI, have joined in to help us make our community a better place in which to live. Their presence, by their deeds, multiplies many fold the assets the field is to our town.

The Lions Club would like to urge our townspeople to do this to show in part our appreciation. The holiday season of Thanksgiving and Christmas is upon us... why not call the base and invite some of the boys into your home for a holiday dinner... or, for that matter, any Sunday will do as well. The Chamber of Commerce does this twice a year with a barbecue, but the personal touch of individual citizens along this line would certainly build an even closer tie of friendliness.

This letter was written by Lions and voted on at the Nov. 7 Wednesday noon meeting.

Very truly yours,  
HONDO LIONS CLUB  
Edgar Stiegler, President  
P. S. The holiday season will find a number of foreign students left on the base from Germany, Spain, Guatemala, Ecuador, Peru and El Salvador. Anyone wishing to ask the boys into their homes may have the arrangements through Mrs. Winnie Braden at the Hondo Chamber of Commerce office.

## Personal Appearance

By Jerry June Berger

The only repercussions we heard about from that crazy football game Monday night were the acning faces and muddy feet that accompanied everyone home. That was one of the funniest episodes we've witnessed in a long time and the entire audience seemed to share that feeling. As Mrs. Glyn Downey put it, "My jaws just hurt from laughing so much."

As to the muddy feet — we heard lots of comments about that, but not a complaint. It has become such a rare treat to have mud around, but it certainly was sticky and we'll bet that a lot of shoe cleaning went on Monday night so the kids would have them clean for school Tuesday morning.

All in all, it was a hilarious evening for a very worthy cause. Financially it will mean a great deal to members of the ARTHUR GALLUCCI family, who have seen the head of their household become completely inactive since July as a result of bulbar polio. And it means a lot to the citizens of Hondo in that it shows what a wonderful job can be done in a small city when the town folks cooperate on a given project.

So bouquets this week to members of Hondo Lions Club, organizers of the idea, to Hondo Air Base personnel for getting up a team of "opposition" for the "Laggin' Lions", and the Hondo Business and Professional Women for operating the concession stand so successfully.

We just doubt that many cities of 5,000 could have done as good a job.

Two of the funniest characters participating in the affair were CAPT. HAROLD MAYNARD and COL. RICHARD BOWARD, both of whom were dressed for the role of cheer leaders for the Pooped Flyers cheering section. Some folks had trouble figuring out just who they were. DR. E. L. KELLEY was quite sure that DAGMAR had arrived for the event when BOWARD came bouncing out. And BLANTON TAYLOR, as referee, received some hearty laughs with his feminine get-up. In case you missed seeing him close up, you probably did not notice the false teeth which covered the lower half of his face.

PA

Writing about Halloween at this point seems a little stale with all that has happened since then — a couple of football games on Barry Field and the election. But since last week's paper was all written when the spook night occurred, we haven't had a chance to mention a couple of clever items.

Just about the cutest entry in the Halloween parade last Wednesday was a little 2-year-old TONY GALLUCCI, who babbled and would not walk across the queen's platform block march of the three Organ Grinders. He was "Tony, The Organ Grinder" and sported a little black mustache, turned up hat, and that made him look the role for a toy accordion, a measure key on a string and a tin can completed the picture.

And by far the most sensational entry was a true replica of HLE who was a true replica of LEVY (THE PELVIS) PRESS. His get-up included a real hair style, side burn, a real cool scarf at the throat, a sportcoat and, of course, a tie. The costume wasn't considered Halloweenish enough to win a prize, but he was more than rewarded by the screaming of all the girls in the throats of all the school girls in viewing distance. Cries of "We want LEVY" were heard for some time after he passed from view.

The election is a thing of the past now and our presidential party lost out. But as Democratic Chairman PAUL BUTLER said Tuesday night, "There's a good thing about this country — nothing so good for this country as a smiling Democrat."

Ten year old GREGORY MEYER had an interesting conversation Tuesday afternoon concerning the election. "I don't care who the world wins it, just so long as I can watch my favorite TV programs again."

GEORGE DAWSON, right, never quite made it into the old ball game last Monday as he passed out both times he tried to make it on to the field. In the middle photo, Col. Richard Boward, left, and Capt. Harold Maynard pose for the photographer. The two men were dressed as cheerleaders for the Popped Fliers at last Monday night's benefit football game,

sponsored by the Hondo Lions Club. At far left is the cause of some trouble — Rev. Harold Good-enough and Chaplain William Kendrick were both thrown from the game after the referee broke up a fight for the woman in the middle of the playing field.

## Golf Tourney Set For November 10

The Hondo Air Base All Ladies Handicap Tournament, which was originally set for Nov. 17, has been changed to Saturday, Nov. 10. All ladies wanting to play, should have at least ten scores turned in to establish their handicap.

The Scotch Foursome, which was scheduled for last Sunday, was called off because of wet grounds. The covered dish supper and grand opening of the new golf shop was held that evening with more than 60 persons attending. Baked ham, green salad, beans, potato salad and hot coffee was served and later a dance was held.

The club was decorated with bright colored streamers. Mrs. Bernard Freedman and Mrs. H. O. Kight Jr. were in charge of the activities. Laurabelle Kight and Olive Kaufmann tied for first place in A Flight in the Ladies Golf Group's Selected Holes Tournament Nov. 1. Winners in B Flight were Helen Haines and Jo Mitchell, a tie, and Emma Downey was winner in C Flight.

## LaCoste Exs' Will Meet Saturday

LaCoste former students will meet Saturday, Nov. 10, for their annual homecoming celebration. According to information received from James Christilles, president of the Former Student Association, festivities will start in the school gymnasium with registration at 3 p.m. Supper will be served in the gym at 5 p.m., followed by the annual business meeting and election of officers. The football game between LaCoste and St. Louis of Castroville, an old-time rivalry, will be held at 8 p.m. and will be attended by exes as one body. After the game, a homecoming dance will close the activities.

All teachers, former teachers, ex-students and their wives or husbands are invited to attend the celebration. Files are not complete in LaCoste and some exes did not receive a personal invitation. Supper will be free to all paying members of the Association. To others, 75 cents will be collected for supper.

"DO NOT JUDGE FROM MERE APPEARANCES"

(Author's name below)

The average cost of a prescription is just about the charge for a good meal. This is a tribute to the pharmaceutical industry that spends millions on research yet keeps ultimate costs so low.

Some medicines appear to be expensive. Judging by appearances a dozen capsules may not seem to be worth as much as six dollars. Your Physician knows their higher cost and true value. When he prescribes them for you he knows that your eventual cost will be much lower because they will do you more good in less time. Trust his judgment. We will cooperate by pricing them fairly.

YOUR PHYSICIAN  
CAN PHONE

## D'Hanis Nipped Friday

D'HANIS—The Nueces Canyon Panthers nipped D'Hanis in a storybook finish game at Campwood Friday evening, when, sparked by a trio of dazzling backs, they scored the winning touchdown with but 40 seconds left in the game.

D'Hanis had held a one-point lead after overtaking a Nueces Canyon lead twice during the first three quarters. D'Hanis was sparked by its bone-crushing defense alignment which has had fewer points scored against it than any other district team.

Starring for D'Hanis were Joe Langfield, Frank Ortega, Othell Batto, G. Gallegos, C. Edmondson and R. Garcia. Skipper Luce, Herschell Burleson and Prescott Webb were the big guns for Nueces Canyon.

The climax of the game saw the Panthers storm back to the D'Hanis 15 yard line from their own 12. The key play came with four minutes left to play. Burleson threw up the middle to Ed Webb on the D'Hanis five, where three plays later Prescott Webb plunged over for the game-winning points. Webb also added the extra point and the game ended 28-21.

The D'Hanis team had fought back with their multiple "I" offense and the brilliant passing and running of Frank Ortega, who scored twice on end sweeps and threw to G. Gallegos for the other six points. D'Hanis added all three extra points on running and passing plays.

## Polls Again Open Tuesday For Election

Texas voters will go to the polls Tuesday, Nov. 13, to vote on Amendment nine to the Constitution of the State of Texas. The amendment, aid to the permanently and totally disabled would relieve city and or county government of this expenditure where some are now meeting this responsibility through tax funds. Medina County carries on such a program.

It would also make possible a maximum grant of \$58 per month from state and federal funds, with the states' portion not to exceed \$20 per person, and would have no effects upon payment of old age assistance, aid to needy blind, or aid to dependent children.

Passage of the proposed amendment will enable the Texas Legislature to draft legislation to take advantage of federal assistance available under the Social Security act of 1950, already in effect in 41 states and Puerto Rico.

Applicants for aid must meet residence requirements and undergo careful examination and determination of their ability to make a living. Any who would benefit from medical or curative measures will be helped to get such care.

## 11. LEGAL NOTICES

### NOTICE TO DEBTORS AND CREDITORS

The State of Texas  
County of Medina  
To those indebted to, or holding claims against the estate of F. J. Rothe, deceased.  
The undersigned, having been duly appointed administrator with the will annexed, of the estate of F. J. Rothe, deceased, late of said county of Medina, by Special County Judge Hugh Meyer, of said county, on the 15th day of October, 1956, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him within the time prescribed by law at his office, in Hondo, Texas, where he receives his mail.  
Dated on this, October 17th, 1956.  
James R. Duncan  
Administrator with will annexed, of the estate of F. J. Rothe, Dec'd. (4tc18)

### NOTICE TO DEBTORS AND CREDITORS

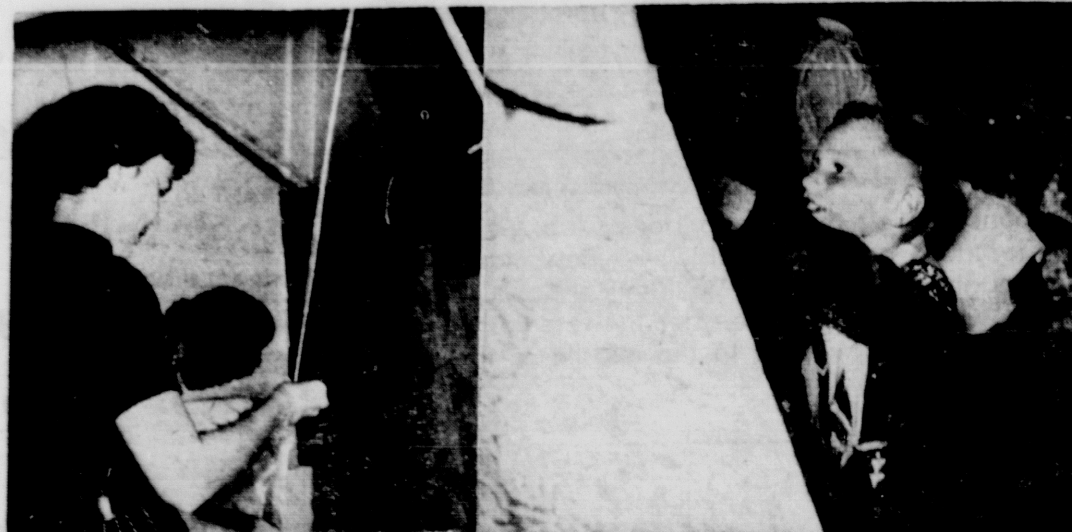

The State of Texas  
County of Bexar  
To those indebted to or holding claims against the estate of Toby Koch, deceased.  
Whereas, the undersigned has been duly appointed as independent, executrix of the estate of Toby Koch, deceased, late of Bexar County, Texas, by the County Judge of Bexar County, Texas, on the 9th day of October, 1956, notice is hereby given to all persons indebted to said estate to come forward and make settlement, and those having claims against said estate shall present said claims to her within the time prescribed by law at her residence, 1609 N. St. Mary's Street, in San Antonio, Texas.  
Mrs. Rosalie Maier, Independent Executrix, Estate of Toby Koch, Dec'd. (4tc18)

### CARD OF THANKS

We wish to express our sincerest thanks to the many relatives and friends for their many expressions of sympathy over the loss of our Brother and Uncle. Also our heart felt thanks to the Medina Hospital and its staff for their many hours of medical care and service to him. We also want to thank Rev. Windecker for the funeral service.  
The Family of William H. Schmidt (p21)

Our deepest thanks and appreciation go to each and every person in Hondo for the love and generosity shown us in our recent time of need. This spirit of unselfishness and kindness will always be remembered. We especially wish to extend our thanks to Dr. Joe Mims, Rev. Harold Goodenough, Father Ehlinger, The Women's Society of the Catholic Church, M&M Bruno A. Schwesers, M&M Herman Burch, M&M Cliff Sadler, Mr. J. G. Barry and all the members of the Hondo School System, and M&M Bob Nations. Also Mrs. O. A. Grell, M&M W. T. Hardy, The Hondo Lions Club, The Hondo Air Base Members, TAI, The B&P Club, Kollman's Red & White, Grisham's Food Store, Fly's Drug, Crow's Cleaners, and The Anvil Herald.  
Our thanks also go to all of the students and friends who sent cards and floral gifts, to those who gave to the Arthur Gallucci Benefit Fund; and to all of you who kept us in your prayers.  
The Arthur Gallucci's (1tc21)

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful services conducted by the Rev. K. Windecker and prayers by the Rev. M. L. Loring, floral offerings, and other kindnesses, we are deeply grateful.  
The family of F. R. Grube (1tc21)

MRS. CECIL SCHILL loads "fish" lines in fast order while the line forms to the right on the opposite side of the wall, and Mike Jessee waits to see what the line holds for him. All this happened October 29 when the Cub Scouts of Hondo had their own little carnival at their pack meeting. Allen Heirman, left, opens wide to try and grab that apple.

—Polaroid Staff Photos

## Hondo Base Dance Proves Successful

The Halloween Dance held at Hondo Air Base is sure to reign as the gayest, most successful event on the social calendar for '56! Pumpkins, owls, cats and skeletons lined the walls while brilliant orange and black fringed crepe paper streamers waved overhead.

Prizes amounting to \$50 worth of chit books were given for the best costumes. Costumes were judged in three categories. Capt. and Mrs. W. J. Kaufman took top honors in the couples division.

They came as Frankenstein and his wife. Mr. and Mrs. R. Kenny took second place as the Shah and Slave Girl. Third place went to Mr. and Mrs. Joe Mitchell as the Farmer's Daughter and the Salesman, and Mr. and Mrs. Mike Bali as Mamma and Pappa, followed in close pursuit, shotgun in hand.

Mrs. Marion Davidson's witch costume won her first place in single females division. Jane Neal, as the She Devil, walked off with second place. J. M. Carr, a flight instructor, had everyone howling as he slunk along in his tight sweater and slim black skirt. He won first place with the enthusiastic approval of all present. Bat Man, Charles Neal, swooped in and claimed second place in the single male division. The floor show featured Peggy Lemanske and Sylvia McBride as "Patience and Prudence". Hold-

## Criminal Docket

## Natalia Club Hears Report At Meeting

Mrs. Rotan Payne was hostess Oct. 19 to the Natalia Home Demonstration Club with 12 members and Mrs. Estella Strayhorn present.

Mrs. Payne read council reports in the absence of Mrs. Turner, Council Delegate.

Mrs. Strayhorn gave a very interesting report on the National Home Demonstration Convention, which was held in San Antonio in September.

Some plans were made for the County Club's Christmas party, which will be Dec. 10, at that time Natalia will be hostess to all the clubs of the county.

Next meeting of the group will be Nov. 9 with Mrs. Floyd Cole.

## Noonan-Pearson

By Mrs. Louis Stein

M&M Otto Naegelin of Castroville, visited M&M Albert Tschirhart Thursday evening.

M&M Dean Pringle of Los Alamos, visited M&M C. H. Baker Thursday evening.

Mrs. Louis Stein was a San Antonio visitor Saturday.

Charles and Della Baker, Corpus Christi, are spending some time with their grandparents, M&M C. H. Baker.

Mrs. Emma Tschirhart, wife of LaCoste, were brief visitors of the Louis Stein home Sunday morning.

Leslie, Carolyn and LaCoste, were near Devine, dinner guests of M&M LaCoste and Leroy Sunday.

Mrs. Roy Tschirhart and children were LaCoste visitors Sunday afternoon.

M&M Eddie Baker and wife were Castroville visitors Monday.

M&M Albert Tschirhart were Castroville Monday.

## HOW MUCH SHALL I SAY?

In a classified ad say as much as is necessary to completely describe what you are offering of goods or services, little more. Be brief, concise, complete. Tell all you would like to know if you were the prospect.

Facts are what count in a classified ad. Superlatives are to be avoided. Readers of classified pages are looking for something. If you have it and your copy adequately describes it, leaves no question in prospect's mind, you will get action... a sale. Terms are right.

A buyer looking for something in classified pages will read most of the ads to find it. The judicious use of display type, a little white space at top and bottom, the boxed ad — as in display ads on these pages — command attention, adding to the pulling power.

Say what is essential in your ad; use display space where competitive advertising dictates the need.

"PLEASING YOU IS OUR BUSINESS"

# REMEMBER WHEN

**November 3, 1906**  
Castroville Anvil Sparks, by Ed Turner, editor, in the week's issue records: "J. O. Holzhaus, editor of the Castroville Quill, made a business trip to Hondo Monday." "Mr. M. App and Monday." "Mrs. Robert de Mond, daughter, Mrs. Robert de Mond, visited relatives in San Antonio during the week." "Messrs. L. W. Burrell and H. H. Crow, a party from Pearsall Saturday, J. W. Whipple and H. H. Crow, announced as rival candidates for Public Weigher." "P. P. Childress had returned from San Antonio where he had been undergoing surgical treatment at a hospital." "Rev. J. T. Fariss and J. W. Long left Sunday for the annual conference of the Methodist Church at San Angelo." "W. B. Adams, merchant and banker at Devine died of stomach trouble at that place Wednesday evening, October 31st." "The death of Mr. Adams, Devine and Medina County lose an enterprising and useful citizen," opines the editor.

**November 4, 1916**  
District Court convened Monday with a heavy docket. R. J. Decker, J. P. Nixon, Jacob Rely, Geo. W. Miller, Alois Haby, D. W. Short, J. F. Dillworth, Louis Scherrer, A. A. Rothe, L. A. Haby, Emil Biry and J. W. Robertson were serving as grand jurors with Louis Scherrer serving as foreman. A petit jury of some twenty-two members was sworn in and shortly thereafter discharged, there being no jury cases for the week."

The two-story house of J. W. Ulrich, two and a half miles below town on the Yancey road was completely destroyed by fire Thursday evening. Only one mattress of all its contents was saved. A quantity of hay was also consumed but the barn escaped. His loss was estimated at around \$4,000 with no insurance.  
Miss Willie Barton was called to Buda, Hays County on account of the death there of Capt. Ben E. McCulloch. He was the stepfather of Mrs. J. W. Peeler and Miss Willie.  
Hondo received during the preceding week 2 cars of coal, 1 of bridge material, 1 of beer, 1 of cotton seed hulls, 1 of oil, 1 of flour and 1 of timber.  
Mr. and Mrs. Geo. Bendele publish an invitation to their friends to attend the marriage of their daughter, Miss Agnes Barbara, to Mr. Ben Oefinger at St. Paul's Lutheran Church on Nov. 8th.

**November 6, 1926**  
"Pay in Full by the 10th. Your rating would be of the highest, your account more appreciated," heads a front-page display advertisement sponsored by the Hondo Retail Merchant's Association.  
Edmund Keller of LaCoste and Jos. Koch of D'Hanis were here

serving with Joe Ney as Jury Commissioners. Mr. Keller reported nice rains at LaCoste and farmers busy getting ready to seed in their oats.

The town is welcoming the public in a quarter-page advertisement to a big Armistice day program to be given on the 11th. Free Barbecue, Racing Program and Foot Ball game are among the attractions being offered.

Tabulated election returns of the Nov. 2nd election show a total vote of 1454 cast in the county. For Governor, Democrat Moody received 755 votes, Haines, Republican, 362; and Smith Socialist, 1 vote. Bader with 771 votes defeated Brod for Sheriff, the latter receiving 680.

Up to October 30th Hollaway's gin had ginned 1647 bales while the two gins operated by the Hondo Gin and Milling Co. had turned out over the same period 1885 bales.

**November 6, 1934**  
The editor is rejoicing over the election of Roosevelt and Garner, the Democratic nominees, as President and Vice President, and displays the pictures of the victors and the vanquished on the front page. Landon and Knox were the defeated Republicans.

L. J. Brucks was the County Chairman and was asking for donations of from \$1.00 up to help pay Medina County's quota of \$310,000 of the state's pledged \$250,000 for the campaign fund. Roosevelt received 2050 votes to Landon's 969 in the county.  
Miss Cora Rieber, daughter of Mr. and Mrs. S. E. Rieber of Hondo became the bride of Mr. Hugo Batot on November 4th. Rev. Father Flynn officiated and the rites were observed in St. John's Church Hondo.

J. Paul Ephraim of D'Hanis had been appointed by Governor James V. Alfred a director on the Nueces River Conservation and Reclamation district.  
Mr. and Mrs. Albert Brieden announce the approaching marriage of their daughter, Freda Emma, to Vincent P. Haass.  
Rainfall for October just past was 2.30 inches; up to that date, rainfall for the year had been 32.53 inches.

**November 1, 1946**  
Chamber of Commerce had organized a Salesmanship Class, under the direction of Secretary-Manager Allen R. Webster with a membership of 40. Mrs. Hans Richards was to serve as instructor.

August Richter was found dead in bed on the morning of October 29th. He had suffered from a heart ailment for some time.  
Mumme's Hatchery was enlarging by building a 36-foot extension in the rear for installing incubators.

Dr. Kelly reported nine cases of sleeping sickness among horses in the county and warned farmers to vaccinate their animals as a precaution against the spread of the disease. The disease is carried by mosquitoes, the doctor advised.

## Rio Medina News

By Mrs. Clarence Huegele (Delayed)

The infant daughter of M&M Johnny Schuehle Jr. was baptized in St. Louis Catholic Church Saturday by Rev. Leo Goertz. The name given the infant was Phyllis Ann. Sponsors were Mrs. Stanley Jagge and Harold Haby.

Mrs. Cora Sittre and Mrs. Gabe Haby were in Hondo Wednesday.

Mrs. Quintin Haby and son, Lyle, and Mrs. Clarence Huegele of here, and Mrs. Ida Bishop of Hondo, visited Mrs. Lina Haby in Hondo Thursday afternoon.

Mrs. Allen Blackmon, Mrs. Edwin Koch and Mrs. Leon Groff and son, Maxie Ray, spent Tuesday with Mrs. Cora Sittre.

Mrs. August Lutz and Mrs. Raymond Wolff of D'Hanis spent the weekend with Mrs. R. E. Haby.

Mrs. Alton Stein and son, Jimmie spent Thursday afternoon with Mrs. Olen Haby and son, Douglas.

M&M S. A. Decker of San Antonio, and M&M Frank J. Haby, and daughter, Patti Sue, of Castroville, were dinner guests of M&M John Schuehle Sr. and M&M Johnny Schuehle Jr. and daughter.

M&M Wendel Griggs and daughter, Gaye, were visiting M&M Clarence Bippert and sons Sunday evening.

Miss Dorothy Jean Wurzbach, who attends Business College in San Antonio, was home over the weekend.

Mrs. R. E. Haby, Mrs. August Lutz and Mrs. Raymond Wolff visited Mrs. Josephine Flathouse and daughter, Caroline, in Castroville Saturday afternoon.

David Neuman visited Colvern Huegele Thursday night.

Attending the Pollack Brothers Shrine Circus in San Antonio Saturday were M&M Clarence Huegele and sons, Mrs. O. W. Huegele of here and M&M E. C. Huegele and niece, Mary Bongers, of San Antonio.

M&M Lenord Mangold visited in the Alice Rihn home Sunday.

M&M Harry Bongers and children visited M&M A. C. Wurzbach Sunday evening.

Mrs. Arthur Haby and sons visited Mrs. Wilton Schott and children Thursday afternoon.

M&M Willie Schott of Devine, M&M August Schott and Joe F. Schott of Castroville, were in Del Rio and Villa Acuna, Mexico, from Friday until Sunday evening.

M&M Lee Tumbelson and daughter of San Antonio, spent Sunday evening with the Nic Haby family.

S. A. Decker, Nic Haby, Philip Haby and Russell Haby were at the Decker Ranch, below D'Hanis Saturday.

M&M Raymond Wolff and son, Ray, Mrs. August Lutz of D'Hanis and Mrs. R. E. Haby visited M&M Raymond Letcher at Pipe Creek Sunday.

Mrs. Harvey Haby and daughter, Sherrie, were shopping in San Antonio Saturday.

Mrs. Alice Rihn and Mrs. Cora Sittre were in San Antonio Monday afternoon.

## Happier Homemaking

By Martha Carson

Here's a collection of "tricks of the trade" for homemakers.

To save walking to the garbage container so many times each day, paint a coffee can inside and outside and keep it, with its lid, on the drainboard as a place to put small kitchen waste, plate scrapings, and so on.

Keep a pair of small, inexpensive tongs in the kitchen. Use them to turn bacon, sausages and other small meats, to turn potatoes while baking, for stirring foods that need to be gently lifted while cooking and other such jobs.

If someone in the family is ill, use a shiny muffin tin for serving meals in bed. Put helpings of food in some cups, and stand a glass of milk or juice in another cup. If the tray is for a child, tuck a small toy or paper hat into one of the empty cups.

If you don't have a cookie sheet and want to use a pan with sides, turn the pan upside down and place the cookies on the upturned bottom side. This insures even browning.

Want to make a dish fit for a loaf? Pour half a small can of mushroom steak sauce into a casserole dish. Add slices of meat loaf. Pour remaining sauce over meat. Bake in moderate oven (350) until thoroughly heated (20 to 30 minutes).

When you plan menus, build your meals around foods that are plentiful. You'll find such items low priced and of good quality. According to the Department of Agriculture, early fall plentiful include poultry (broilers, fryers, stewing hens and turkeys), rice, bartlett pears from the West Coast, and peanut butter. Seafoods from the Gulf Coast — oysters, crabs, shrimp, red snapper and sea trout — also are on the list of plentiful.

Here's an idea for serving fresh Bartlett pears. Brown coconut lightly under the broiler flame; mix it with confectioner's sugar and cinnamon. Sprinkle over fresh pear halves and top with a scoop of vanilla ice cream.

## Castroville News

By Mrs. W. R. Griggs

Kevin Kirkpartick Hans was baptized Sunday in St. Austin Catholic Church in Austin. He is the son of M&M Maurice Hans. Sponsors were Harold Hans and Mrs. Dorothy Boehme.

M&M Dan Burrell and M&M Jack Boehme visited in the Maurice Hans home in Austin over Louis Hart Sr. attended the weekend.

Mrs. A. A. Murrell and M&M Eisenhower meeting at the Burns Ranch at Big Foot.

## St. Ann's Hears CD Talk Oct. 11

St. Ann's Society held its regular meeting Oct. 11 at St. Louis Parish Hall. The officers led the meeting with a prayer.

D. M. O'Connell gave a speech on Civil Defense.

Mrs. Joe H. Steinle gave a report on the Catholic State League. Mrs. Joe Hoog gave a report on the Convention of Catholic Women held in San Antonio, and Mrs. Raymond Ehlinger gave a report on the meeting of Council of Catholic Women held at Hondo Sept. 9.

Two members, whose birthdays fall in October, were honored. Mrs. Sam Tschirhart won the attendance prize, which she donated to the Society. A lunch consisting of pie and coffee was served by the hostesses.

Hostesses for November are Mesdames, Andrew Kempf, E. J. Conrad, U. B. Kempf, Daniel Biediger, Richard Haby, Bernard Biediger, Ernest Rihn, Robert Gerloff and Albert Halty.

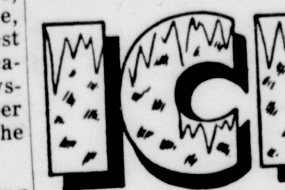

Mrs. Charles F. Bennett and son, Mark, and Mrs. Art Schroeder and son, Stevie, of Bryan spent the weekend with their parents, Mrs. Harley Eckhart and family and M&M Bob Graff and family.

## RIO MEDINA NEWS

By Mrs. Clarence Huegele  
Mrs. Katie Hall visited M&M Clarence Huegele and sons Sunday.

M&M Teschman of San Antonio were visiting relatives here Sunday.

Arnold Wurzbach visited M&M Felix Stinson Sunday evening.

## Band Boosters To Hold Dance

The Castroville Band Boosters Club will hold a dance at Rural Murry's Nov. 10, to raise money to purchase instruments. The Western Revelers will furnish music for the dance.

## Seco Believes In Paying For Old World Wars First

Editor's note: The Seco Philosopher on his Johnson grass farm has been reading the international news, his letter this week indicates.

Dear editor:  
Now that the election is over

and my mail box is cleaned out of campaign literature from both sides plus all the demands that I vote as I please just so I vote, which is good advice but hardly necessary, I noticed during the campaign the television entertainers were always reminding us that if we didn't go to the polls and vote and we got the wrong men in office, the responsibility would be squarely on us, but what I'd like to emphasize is that just because I did go to the polls and did vote, I'm not going to be responsible for everybody that got elected, you can't pin all of them on me, if they turn out wrong, but anyway, as I started out to say at the start of this letter, I've been giving considerable thought to the world situation.

I don't know about the rest of the world, but personally I wasn't bored with peace at all. Peace suits me fine, and I hope the rest of the world figures out its problems and iron out its troubles without igniting the whole thing. I can understand how the world can buy television sets and refrigerators and homes and automobiles, etc. on the time-payment plan, well I don't know whether I can understand it or not but I notice it's being done, but you take the average man with about all the installment payments he can stand up under and add the cost of another war to his load, even if it's on the installment plan too, and I'm afraid his legs may buckle.

I know you can trade in a car on a new one before you get the old one paid for, and the same applies to refrigerators, houses, etc., but as I understand it, we not only haven't paid for the last war, we haven't paid for the one before that, and frankly I don't think we've got any business trading for a new one now.

Of course, I understand wars aren't handled like automobiles, sometimes you don't have any voice in whether you're going to have one or not, it's delivered to your door step without much warning, but I'm telling you, I can think of a lot of things the world needs worse than another war. I can think about cars, but if the world would agree not to have a new war until the old ones were paid for, life would be a lot more ordered for a good many centuries to come.

Yours faithfully,  
J. A.

## PO Wins Driver Award

The rural route fleet of the Louisiana-Texas postal region won driver safety recognition in the 25th Annual National Fleet Safety Contest of the National Safety Council, according to a statement today by Postmaster Harry E. Filleman.

The postal region's 2,500 drivers placed third in the passenger car division, based on performance from July 1955 through June 1956. Announcement of the rankings was made at ceremonies in Chicago Oct. 25.

During the year the rural carriers of the two-state region covered 31,060,814 miles with an accident rate of only .08 accidents per 100,000 miles. Rural carriers of the Hondo Post Office contributed to this outstanding safety record.

More than 1800 fleets operating in excess of 229,000 vehicles and traveling 4,867,000 miles, completed in the silver anniversary contest, largest of its kind in the world. The combined average frequency rate of 1.58 accidents per 100,000 vehicle miles was one of the lowest rates achieved in the 25-year history of the contest and marks the fourth consecutive year that the rate has been below two. It represents a 32 per cent reduction as compared to the 1951-1952 contest average.

At regional office headquarters in Dallas, George A. Gray, Director, praised the rural carriers for their courtesy on the highway as well as their driving prowess.

## PTA Carnival Successful At D'Hanis

D'Hanis — The D'Hanis Parent-Teacher Association sponsored its annual Halloween Carnival Saturday evening, Oct. 27.

Prizes for costumes went to Margaret Ann Smith, who represented a witch, and Ricky Dorman, costumed as a wolf. Judges were Mrs. F. B. Padgett, Mrs. I. D. Perkins and Miss Elizabeth Stewart. Various booths and games kept everyone entertained until a late hour.

Chairman assisting Glenn Padgett, president of the P-TA, were Wayne Cheney, V. M. Schultz, Miss Fred Boyce, Mrs. Jack Zinsmeyer, Mrs. James Finger, Guillermo Tavar and Raymond Wolff.

## Castroville News

By Mrs. W. R. Griggs  
(Delayed)

Joe Schott, M&M Willie D. Schott of Devine, M&M August Schott and M&M Leo Yena attended the Horse races at Del Rio over the weekend.

Several Catholics from Castroville, D'Hanis, Natalia, Lytle, Devine and Hondo attended the "Christ The King" procession at LaCoste Sunday.

Jonel Riff spent the weekend with Becky Thornton. M&M Ellis Burges, Betty and Bill, were visiting relatives in San Antonio and Seguin over the weekend. They visited Dr. and Mrs. E. G. Burges, parents of Mr. Burges, in Seguin.

Sgt. and Mrs. Harold Short of California, visited M&M W. R. Griggs Saturday and Monday.

Don't forget the Band Boosters Dance at Rural Murry's Saturday, Nov. 10.

Mrs. Janice Brown of San Antonio, was visiting her parents, M&M Richard Stein Sunday.

A barbecue was enjoyed in the home of M&M C. V. Green by M&M John Gardener and family of San Antonio, and M&M Art Tarver, Sharon and Scott Sunday night.

Mrs. Betty Keller spent the weekend in El Paso visiting her husband, Ronnie Keller, who is in the military service and stationed there.

M&M Al Nolan moved in the Paul West home, just vacated by the Marcel Honigfelds.

M&M Carlisle Keller of LaCoste, are the proud parents of a boy, born Oct. 30, weighing 5 pounds and 12 ounces. This was the only birth in Castroville this week.

M&M Bernard FitzSimon and M&M Frank Meny spent the weekend in Laredo, attending a druggist convention.

M&M Joe Riff and daughter, Betty and Mrs. Paul Schott were in Bandera Sunday, visiting M&M Otto Hutzler.

Mrs. Emma Stahl of Quilhi, stopped in Castroville on her way to San Antonio to help her son, Elmo Stahl, celebrate his birthday Tuesday.

M&M Charles Suehs, Capt. and Mrs. Richard Schott, M&M E. J. Conrad and M&M O. W. Ney spent last weekend in Laredo.

Diane Hans of Austin, is visiting her grandparents, M&M Gabe Hans, this week.

M&M Gilbert Freisenhahn and family of Macdonia, had dinner in the Ferdinand Tschirhart home Sunday night.

Mrs. John Wade honored her husband, Capt. John Wade, at a birthday party and barbecue dinner Sunday, Oct. 28. Several friends were there to help Capt. Wade celebrate.

## Sullivan Show Set For SA

Tickets to the Ed Sullivan Variety Show, a 100 per cent benefit for Boysville Nov. 20, have gone on sale at the Municipal Auditorium in San Antonio, E. DeWees, a Boysville trustee, announced today.

"Mr. Sullivan is flying down from New York without charge to Boysville," said DeWees, "and the Musicians Union, the Stagehands and Electricians Union and many others are giving their services free to San Antonio's boys with a heart for homeless boys."

DeWees said that State conditions of acts for the show, reported finding "some of the finest professional talent in the country, among the people now stationed at South Texas A&M Force, Army and Navy bases."

"It is beginning to look like we will have a star-studded attraction worthy of Mr. Sullivan's own Sunday night New York television Shows," DeWees asserted.

Reserved seats priced at \$3.75, \$3.00 and \$2.50 and \$1.50 were available at the auditorium box office.

"Checks for tickets should be made out to Boysville," he continued. "The Municipal Auditorium box office is handling that for the home and will fill all mail orders provided they are accompanied by a self-addressed and stamped envelope."

DeWees added that Boysville, a non-profit, non-sectarian home for blameless victims of family tragedies, was in a serious financial condition due to forced discontinuance of farm activities on account of prolonged drought.

## Clubs Help Children Halloween

Castroville Clubs joined hands to entertain children on Halloween.

The American Legion purchased a Roy Rodgers Film, the St. Louis Mothers' Club, Castroville Parent-Teacher Association and American Legion Auxiliary purchased balloons, candy, and bubble gum for 400 children of Castroville to try to eliminate Halloween pranks.

All merchants of Castroville gave goodies or other items.

## Geo. Taylor Found Dead In CC Home

Funeral services were held  
 Oct. 27, 1956, for George C. Tay-  
 lor, 68, in Hondo.

Born Oct. 9, 1888, in Hondo,  
 Taylor was found dead at his  
 home in Corpus Christi Oct. 24.

Survivors include three sons,  
 Delbert, San Antonio; Beryl, San  
 Antonio; and Lee Roy of Tennes-  
 see. One daughter, Mrs. Mil-  
 dred Dyal, Fort Worth; brother,  
 Ray Taylor of Hondo; sister,  
 Mrs. John S. Nichols of Deer-  
 field, Ill., also survive him.

Pallbearers, all nephews of the  
 deceased, were Tony Taylor,  
 Thomas A. Taylor, W. E. Tay-  
 lor, Preston Gaines, Roland  
 Gaines and Bob Kollman.

Interment was in Engelside  
 Cemetery.

## Seco Favors New Tax Law Provided It Helps Him

Editor's note: The Seco Philo-  
 sopher on his Johnson grass farm  
 may have an idea this week, but  
 you never can tell.

Dear editor:  
 Everybody who can remember  
 from one campaign promise to  
 another has just about given up  
 any hope of ever getting a cut in  
 taxes, so as resourceful Ameri-  
 cans the only thing that's left to  
 do is figure out more ways to  
 charge up more things to ex-  
 pense, to whittle down on your  
 income tax.

Consequently I was very pleas-  
 ed to read in a copy of a news-  
 paper which a campaign worker  
 left here last week while he was  
 urging me to go to the polls and  
 vote, which is the only reason I  
 can think of going there in the  
 first place, that a candidate run-  
 ning for office up in New York  
 has come out for a plan to allow  
 people to charge up as expense  
 against their income tax the cost

of traveling back and forth to get  
 to work, or commuting, as they  
 call it up there.

According to him, big business  
 is allowed to charge up all sorts  
 of expense items, such as enter-  
 taining, hauling customers around,  
 attending conventions, etc., and  
 the average person ought to be  
 allowed to charge up the cost of  
 getting to and from work.

This is a fine idea and I hope  
 you throw your influence behind it,  
 if you haven't misplaced it.

For example, say a man lives  
 five miles from his work, which  
 a lot of farmers will be doing if  
 farming doesn't improve and  
 they can swing a job in town, he  
 ought to be allowed to charge up  
 the cost of traveling back and  
 forth as a legitimate expense on  
 his income tax.

Or take me. Now I don't plan  
 on getting a job in town because  
 the farming situation may be  
 bad, the farming situation has  
 been bad most of my life but not  
 bad enough to drive me to a job  
 in town where somebody else is  
 boss, but I'm starting out to dig  
 some post holes. Anybody who  
 has ever dug post holes by hand  
 knows it takes considerable psy-  
 chological build-up to tackle the  
 job, sometimes requiring a fish-  
 ing trip just to strengthen your  
 nerve.

If a man travels fifteen or  
 twenty miles and fishes a while  
 to improve his frame of mind be-  
 fore setting in to build a fence,  
 what's different in that from rid-  
 ing a commuter's train out of the  
 hurly-burly of New York in the  
 late afternoon to your home in  
 the country so your nerves can  
 recuperate over night for the bat-  
 tle in the city the next day?

This sounds like a good law  
 to me and I hope you'll dig out  
 your influence and help get it  
 passed. Clean off your desk and  
 see if you can't find it some-  
 where around there.

Yours faithfully,  
 J. A.

## QUIHI NEWS

By Mrs. Jack Sharp

Misses Lillie and Nellie Muen-  
 nink of San Antonio, were Wed-  
 nesday afternoon visitors of M&M  
 Frank Muennink.

Sharon, Linda and Patsy Wie-  
 mers were Sunday dinner guests  
 of M&M Marion Muennink and  
 daughters, Kathryn, Marianne,  
 Dorothy and Rita.

Sunday visitors in the home of  
 M&M Jacob Schweers were M&M  
 Charles Schweers and Mrs. Bill  
 Santeleban and daughters, Dar-  
 lou and Fredda.

M&M Milton Wiemers, Bruce  
 and Karen of San Antonio, were  
 all day visitors of M&M George  
 Wiemers Sunday.

M&M Hilmer Bendele, Debby,  
 Larry and Barbara of San An-  
 tonio, were Saturday supper  
 guests of M&M Edson Oefinger  
 and children, Diane, Stevie and  
 Clyde.

M&M Andy Oefinger and M&M  
 Elmer Saathoff and Doris were  
 Saturday evening visitors of

## SPEAKING OF SPORTS

By Dr. John H. Jennings

The Hondo Owls made it 20 in a row, without a scoreboard defeat last Friday night as they backed in with a 13 to 0 win over Carrizo. It was probably their least impressive showing in two or three seasons. The Owls bounced back after a similar showing against Nixon . . . let's hope they can do the same thing when Pearsall comes to town.

### No Spark

The Owls just went through the motions of football . . . their blocking was only good in rare spots, as was the ball carrying and tackling. The reason for a club to let down is a long time football mystery. Even mighty Oklahoma got way off last week as lowly Colorado had them down 19 to 6 at half time. However, with the mark of greatness, they came back to win 27 to 19. One can only guess why things went so badly for the Owls . . . maybe they were looking forward to the Pearsall game without regard for a slightly worked up Carrizo team with a fine little quarterback in Jim Castellaw . . . maybe they missed Alvin Hartman's presence in many ways, etc. One thing for sure, the Owls are going to have to bounce back with all the FIRE, CONFIDENCE and DESIRE that they can muster for Pearsall or a whole raft of Owls will be playing their last football game . . . and in a manner most unbecoming to the proudest of all Owl undefeated streaks. This is too fine a group of boys and ball club to turn sour two weeks in a row. We fully expected each boy to play his best game of the year against Pearsall . . . they will almost have to win.

### A Brighter Side

The Owls now know how it feels after the game is over to play the game hard and good as a team like they did against Del Rio and Uvalde . . . or to play the opposite, like the Nixon and Carrizo game. So, having made the bed both ways, it should be clear how they would want to play it this week!

Alvin Hartman was up last Sunday, though kept at home through Monday to play it safe. He was back in school and in a football uniform Tuesday. So he WILL be ready for Pearsall. With a fired up Owl team and with Big Alvin back to fan the fire, the boys SHOULD be out to give their best showing of the year — if not their best, it COULD be their LAST!

### A Look At Pearsall

Like the Owls, Pearsall is undefeated for the season, and have been able to move the ball very well. Both teams have played three common foes — Devine, Uvalde and Carrizo. The Owls had slightly more impressive wins over Devine and Uvalde, while the Mavericks had a wide 49 to 13 win over Carrizo.

Pearsall has a long, tall QB, with spindle legs, by the name of Gardener and a fine FB in Stacy. Three half-backs, McCormick, Villereal and Mann are fairly quick who bear bottling up and will need to be racked up with authority.

### The Carrizo Event

The Owls lost the toss (again) and did not score until 6 minutes before half. Carrizo got off 17 plays to 10 for the Owls in the first quarter, rushing for 32 yards, passed for 51, while the Owls got 38 rushing yards and none passing.

The first Owl score came via an 81 yard ground game drive, with Woolls getting determined as he went for a 25 yard TD run. In this drive, Woolls carried for 11, 9 and 25. QB Highsmith got 9 and 5, Billy Potsavich gave 3, 12 and 3 and Windrow 4. The half ended 6 to 0, with the Owls having 124 rushing yards to 90 for Carrizo.

The second and final score came with 29 seconds left in the third quarter, with Johnny Meyer at the QB slot. This drive carried 63 yards with HB Ray Highsmith going over from the two. In this drive, Woolls carried five times for 5, 1, 4, 7 and 2; Windrow once for 4 and Highsmith ran six times for 5, 4, 5, 18, 6 and 2. The Owls ran 20 plays in the third quarter to 3 for Carrizo.

The fourth quarter play distribution was more equal with the Owls running 15 to 12 for Carrizo. The Owls did not have a fourth quarter run over 7 yards, while Carrizo had only one long run and it was nearly a duds as it went for 50 yards before Neuman saved the day.

Statistics	H	C
1st Downs	16	9
Yds. Rushing	263	151
Yds. Passing	0	6
Total Yds. Gained	263	211
Passes	0-3	6-1
Intercepted By	1	1
Punts Av.	4-23	2-2
Fumbles	0	0
Fum. Recovered	1	1
Penalties	4 for 30, 2 for 2	
Punt Returns	1 for 15, 1 for 2	
Rushing Plays	35	3
Total Plays	58	4

Individual Records	C	Y	Ave.
Woolls	22	116	5.3
Highsmith	17	90	5.3
Windrow	7	21	3
Potsavich	5	17	3.4
Neuman	3	18	6

The poor Owl showing does not necessarily mean it was due to the new quarterbacks of Ray Highsmith and Johnny Meyer, or the absence of Hartman. I would say it was just a TEAM let-down.

### Other Notes

A part of our column had to be cut out last week. The Editor did not have space for it, and in the deleted part we had some words about most of the Owls. For instance, we thought in the Cotulla game Woolls was running better and looser and might be ready to do even more in future outings. Butch was determined on his 25 yard Carrizo scoring jaunt. He also put a hard block on one of Neuman's punt returns and he put in two or three stinging tackles — one caused a fumble that Jug Wiemers fell on. Big Jug fell on a couple of fumbles the week before too.

If the game had any bright spots, then guard Joe Torres seemed to be in as many or more tackles as any Owl. His defensive play has been very consistent. Gary Schweers put on a couple of impressive tackles too. Like the deleted part of our column stated last week, Gary played one of his best games of the year against Cotulla, and what we NEED is a rugged Gary THIS and EVERY Friday night. William Reus is a hustler on kick-offs . . . he either makes or is in most of these tackles.

Billy Neuman saved the day twice as a Carrizo runner could have gone all the way. So that Alvin Hartman would stay in bed, and to speed up and comfort his recovery, Owl fan, James Tschirhart of the Ranch Store, installed a TV in Alvin's bedroom . . . a fine gesture indeed!

### Golf Tournament

A golf handicap tournament will be held at Hondo Air Base Golf Course this Sunday. Entry fee is \$2.

Tee off time will be any time Sunday, as long as it is in a group of three or four. Two or three prizes will be given.

All players with an established handicap are eligible to enter.

LIKE  
 CHRISTMAS  
 EVERY DAY  
 OF THE  
 YEAR!

## a savings account

will be the best present you ever gave yourself. As an old proverb goes "He who saves today, knows not want tomorrow." A savings account that grows thru regular deposits will give you a cushion to bounce on in case of emergency. And it gives peace of mind to know you have something set aside for unexpected expenses.

# St. Louis Comets

The St. Louis Comets staved off a fourth quarter rally by a determined bunch of Antlers from St. Joseph's of Laredo and emerged 26-19 victors for the seventh time this year. In the meantime, the Schreiner Rebels of Kerrville proved themselves "country cousins" to the Comets as they held Peacock to a 0-0 tie and knocked them out of the title race. The tie gave St. Louis their second championship in a row.

In their own game, the Comets found the going a good bit harder than expected. They moved very well on offense, but defense was not up to what it had been for the last few games. The Antlers took the opening kick-off and threatened to go all the way until they fumbled away their scoring opportunity on the 5. The Comets struck back quickly and needed only five plays to cover the 95 yards. First Francis Lutz broke loose for 44 yards to move the ball into enemy territory, and then Royce Groff swept left end for the first Comet TD. Arthur Espino converted.

The boys from Laredo bounced right back to do some scoring of their own. Armando Cruz, the big ground gainer for the Antlers, found a hole at right tackle and went all the way, only to have part of his run erased by a clipping penalty. The visitors would not be stopped, however, and Cruz finally scored from the 1. Try for point after failed, leaving the score 7-6.

The second quarter was played in rain. Lutz, who ran well in mud against Schertz-Cibola, found the mud to his liking again and it was he who got the second Comet tally on a line buck from the one. The score stood 13-6 at

the half. The rain let up just before half time.

The Comets started their touchdown machine rolling early in the third quarter. On the fourth play, Lutz shook loose on the visitor's 40 and went over for his second tally of the evening. After holding the Antlers, St. Louis got the ball on their own 20. Again they set off on a large march highlighted by a 27 yard jaunt by Lutz and an 18 yard touchdown scamper by Groff. Groff also added the extra point and the score stood at 26-6.

The boys from St. Joseph's refused to take it lying down and came surging back as Guillermo Vela began hitting his receivers in the clear. Largely on passes, they moved down to the one and again Cruz powered his way over. St. Louis moved across the 50 yards. First Francis Lutz broke loose for 44 yards to move the ball into enemy territory, and then Royce Groff swept left end for the first Comet TD. Arthur Espino converted.

St. Joseph's rolled 159 yards on

the ground in 29 carries and threw 10 passes of which they completed four for a total of 108 yards. The Comets piled up 413 yards in 51 carries and tried 2 passes, both unsuccessful.

Tomorrow evening, the Comets will have their annual duel with LaCoste.

### Agriculture One Students Happy

The Hondo Freshman Agricultural Class One has two reasons for being happy this week. They won Sweepstake Awards in the FFA Leadership Contest Saturday and received their FFA Jackets Monday morning.

The FFA jacket order has been expected for the past week. Two other Agricultural boys, Wesley Breiten and J. H. Steigler, are to receive jackets next week. These jackets were on a special order and more time was required.

The present jacket wearers are John Wolff, Larry Hermes, Jimmy Neuman, Jerry Neuman, Melvin Pack, George Brucks, Alfred Ray Breiten and Charles Eckhart.

The other eight jacket owners are Cliff Sadler, Clark Wurzbach, Clay Heyen, James Schoellman, Melvin Etchison, Bruce Saathoff, Richard Schweers and Donald Muennink.

Justin Jungman

### James E. Silvers On Europe Duty

Army Cpl. James E. Silvers, 21, son of William H. Silvers, Devine, recently arrived in Germany and is now a member of the 97th Signal Battalion.

A 1954 graduate of Devine High School, Cpl. Silvers was stationed at Fort Monmouth, N. J., before arriving in Europe.

## BIG as they come

New Ford Wagons are big, from bumper to bumper. There's room for a boat or a whole family of "kids."

## SLEEK as they go

with Thunderbird power\* that loves to honor and obey your every whim!

This year, your station wagon dollars buy more than ever before! Why? Because Ford has introduced a new kind of station wagon for '57 in four new models—each longer and lower and livelier than you ever thought possible at Ford prices. From the new front-hinged hood to the new wrap-around liftgate these '57

Ford glamour wagons have the Touch of Tomorrow. And you be proud as Ford's new V-8 punch when you take one out for your very first whirl. "This is it!" you'll say, while the whole family joins in the happy chorus. Come in . . . your Ford Dealer is mighty proud of his new station wagon, too.

Come in and meet a new adventure . . .
